"Learning for Life & Living the Faith"

Catholic Identity... So proud & blessed to be Catholic!!!! Our Catholicity is in everything we do at SJHC from our morning announcements

to our dismissal procedures and even extracurricular events. It is woven into every academic subject, how we treat each other in the classrooms, the hallways, the lunch room and in the office. From the students' relationships with each other to their relationships with their teachers, we want to strive to do what Jesus expects of us as Catholic students, teachers and administrators. We are Saints in the making!!!

Thank you for helping us support our local Catholic Radio Station Redeemer Radio. Father Bill and I will be taking three 8th graders with us to the Fall Sharathon on Thursday, October 27th and we will be on air from 2pm -3pm. Please tune in to hear us and make a pledge or donation for Redeemer. Thank you.
