

## RECORDS DAY

**Monday August 8** is our Record's Day/ Back to School. We combined them this year to be considerate of our parents' and our teachers' precious time. Please plan for this to take between 1 and 1 and half hours. **Hours are from 12-3 and 5-8.**

### What to expect:

1. When you enter the gym, you will be greeted and directed where to proceed.
2. **Cafeteria table:** If your child has food allergies, please have a copy of this for the cafeteria ladies. They need to have this on file. According to state guidelines, any student who requires a special diet must have documentation and a doctor's signature.
3. **School Nurse:** Any medical forms will be given to Mrs. Elizabeth Loubier. If your child has allergies that require medical intervention such as epi-pen utilization, Elizabeth will need this information. There are also bike helmets available for no cost courtesy of the Indiana Highway Department.
4. **HASA:** This is our Home and School Association. This group does a variety of events to benefit our school and families. Please take time to volunteer to help in some way. I understand the busyness of everyone's lives, but a little time for our most precious children is something we should prioritize.
5. **Scrip table:** With the expansion of the School Choice Scholarship, fewer families need to use Scrip for tuition but did you know you can use this for your child's 8<sup>th</sup> grade trip to Washington DC. I encourage you to utilize the scrip program for your gas and groceries. It can also help you keep within your budget when you shop. You will find it is easy. The ladies at the table can explain this further.
6. **ACPL:** We will have a representative from the Allen County Public library. If your child does not have a library card and you are an Allen County resident, I encourage you to stop and sign your child up for a library card.
7. **Used Uniforms:** If you need to add to your uniforms collection for your child(ren) we have used clothing available for \$2 each.
8. **Athletic/spirit wear-** If you have not completed your order for spirit wear the forms will be available to complete here. You will also find paperwork needed for your child to compete in athletics. The athletic participation fee of \$50.00 can be paid at this time.
9. **Embroidery pickup:** If you dropped shirts off to be embroidered they will be available here. You will make any payments to Mrs. Price at this table. School Choice paperwork will also need to be signed before you head to the next table.
10. **Pictures:** Your child will have their picture taken. Please have them dress nice- they do not need to wear their school uniform. This will be the yearbook picture. We have some exciting ideas for the yearbook this year. I encourage you to buy a yearbook during Records' Day at the price of \$10 if included with a package. The price is \$14 later.
11. **Classrooms:** At this time, you will head to your child (ren)'s classroom. The teachers will cover their procedures and expectations and you will be able to drop school supplies off at this time. This includes our Pre-K students.

**Welcome to all of our families. With God's grace, It will be a wonderful year.**
