

FEED THE HUNGRY

This is our mission at St Joseph Hessen Cassel Foodbank.

If you are visiting us for the first time this is what you will receive.

A friendly smile

No judgment

A box full of food

Some fresh vegetables and fruits

Some frozen, meals, meat, and treats

Hygiene or cleaning products

(Items vary and change weekly)

We do our best to have at least 35 items for each family, most times it is much more than this.

if this is your first time this is what you do when you arrive:

Please park in the front lot and line up behind the last person in that row, wait your turn and please be patient. One of our wonderful volunteers will greet you and have you sign in. The state requires that you sign in with name, address, city and zip, and number in your family. By signing this you are stating that you are within the required income guidelines. When the church bells ring at 9:00 am the first person in line will drive to the back of the foodbank building and we will load your vehicle and

you are then free to have a wonderful week.

If you are picking up for a friend or another family member they must have filled out the **PROXY form every time** you pick up for them. This form cannot be filled out by you, they must sign the form stating they are within the income guidelines. If you do not have a proxy form we can only serve the people in your vehicle. Since we are open 2 days a week you can always bring that person or the form back on the next day we are open.

We ask that you are from this zip code area or an area close to us. We realize there may be emergencies and we will never turn you away. We also ask that when possible you visit us only 2 times a month. If you are in need we will not turn you away.

We are here till 10:00 on Thursdays and Saturdays, we will provide extra Proxy forms in your bags each week. If you arrive late we will most likely be gone.

We have the best volunteers in the area and we love to see all of you!
